BUSH HOTEL
CARRICK ON SHANNON

*220 years of Hospitality in the
Heart of Carrick on Shannon*

Welcome to the Bush Hotel, an award-winning boutique heritage hotel in the center of Carrick on Shannon. With open fires, themed lounges and bars, coffee shop and restaurant with innovative and often cheeky cuisine, our hotel is steeped in history, charm and character, seamlessly blending modern day living with old world charm.

We enjoy a town centre location fronting onto the high street of the vibrant, cultural and historic town of Carrick on Shannon but backing onto gardens, private parking to the town by-pass and River Shannon and its stunning riverside marinas, walks and parks.

The Hotel is privately owned and managed by myself and my family who have been catering for special events for many years. Our Staff are professional and friendly with many years' experiences and always have a "can do" attitude and will go the extra mile to make sure your expectations are exceeded. Our mission is simply to provide our valued customers with exceptional honest, ethical and personal service in a respectful and sustainable way.

Enclosed you will find a range of full service and buffet menu options (transparent and no surprises!) offering exceptional value whilst guaranteeing no compromise on our high standard of service and quality. Private rooms are included in menu prices. We provide fresh and wholesome food in ambient and luxurious surroundings.

Our ethos is that "*Nothing is too much Trouble*". Our attention to detail is paramount and our personal commitment and supervision are your guarantee to ensuring your event is truly memorable.

We would be delighted to meet with you and show you at first hand the wonderful facilities available.

Joseph Dolan
